

Mighty Max Mower

The Vrisimo Mighty Max Flail Mower is the ideal tool to keep small orchards manicured. It is a durable tool that efficiently cuts and mulches grass, leaves and other debris to create a smooth, sanitary orchard surface. It comes in three cutting widths ranging from 70 to 94 inches. Cutting capacity .5-1.0".

Performance

Category 1, 3-point hitch comes standard with a universal hitch that allows you to configure your machine to be center mount or offset mount. Like all Vrisimo flail mowers, the cutter drum is electronically balanced for smoother operation. Standard replaceable skid shoes preserve the life of this mower, as does the 50 HP gearbox. The adjustable rear roller ensures uniform cutting height.
