

Pulverizer LT Crop Mower

The Vrisimo Pulverizer LT Crop Mower makes it easier and faster to tame that thick, overgrown cover crop. When fine-cut mulching is a must, the Pulverizer LT is at its best. Cutting widths from 12 and 15 feet enable you and your tractor to efficiently transform dense vegetation into a closely mown field. Cutting capacity .5-2”.

Performance

The Vrisimo Pulverizer LT Crop Mower features heavy duty 0.66-pound knives and a re-cutter bar for consistent cutting. Like all Vrisimo flail mowers, the cutter drum is electronically balanced for smoother operation. The drive system consists of a 90 HP gearbox with options for more towing power.

Key Features

- **Mowing Width.** Options from 12 and 15 feet
- **Adjustable Cutting Heights.** From 0 to 12 inches
- **Torque.** 90 HP gearbox rating and 1,000 RPM gearbox (optional)
- **Adjustable Skid Shoes.** Prevents damage to surfaces and adjusts grading height
- **Hitch.** A tow hitch comes standard to attach to most tractors (optional)
- **Internal Wear Liners.** Made of abrasion-resistant material
- **Cutter bar.** Re-cutter bar standard
- **True Shaft Technology.** An electronically balanced cutter drum with serviceable hubs to ensure straight shafts that run smooth for years of reliable, vibration-free operation
- **Power.** Dual drive system (optional)
