

Super Series Flail Mower

The Vrisimo Super Series Flail Mower provides the same versatility, toughness and efficiency of the MiniMax and Mighty Max mowers with added cutting width and power. It's a great option to keep orchard floors in top shape before and after harvest. The Super Series' universal hitch provides the flexibility of using a center or offset mount. Cutting capacity .5-1.0".

Performance

The Super Series Flail Mower comes standard with fine cut scoop knives that create a vacuum effect, lifting debris and vegetation for improved mulching. It offers cutting widths from 60 to 120 inches. The Super Series has a Category 1, 3-point hitch. The drive system consists of a 90 HP gearbox and banded 3 groove drive belts.
